

# Etch your family into Tewksbury History

Here's your chance to become part of Tewksbury history. The TAA invites you to join our brick campaign to provide a patio and walkway for the Snack Shack and help raise money to install electricity.

The TAA is an all volunteer organization serving the sports and recreational needs of the community. We provide sports programs from Pre-K to adults.

Last year, we installed the Snack Shack to provide much needed storage space and to be able to offer refreshments for our athletes. This year, our goal is to install electricity to the shed so that we can better utilize the storage facility and continue to offer refreshments to our sports community.

This is your opportunity to purchase a personalized brick with your family's name that will be forever displayed on a beautiful patio and pathway at Oldwick Fields. Your support will also help enhance the TAA program including our field facilities.

The bricks use state of the art laser technology. Their strength and durability will create a lasting impression of your sports memories.
